## Dengue Alert Awareness 02 Oct. 2022

**AHINSA INSTITUTE OF PHARMACY**  
Dhule Road, Dondaicha 431008

To be taken Precautions For Dengue Prevention

**DENGUE ALERT!**

How to keep Mosquitoes out of your yard  
Stop Mosquitoes from Breeding

**Use Insecticide Spray**

Use insect repellents that EPA registers. This means it's proven safe and effective from mosquitoes bites.

**Spray inside, Too**

Use an indoor insect spray to kill mosquitoes that may live in dark and damp places such as under the sink, beneath, bathroom, inside the closets and in the laundry room.

**Keep Dry and Clean**

Check for breeding site around your home. Should be keep clean and dry place around building, Gardens.

**What is Dengue**

A debilitating viral disease of the tropics, transmitted by mosquitoes, and causing sudden fever and acute pains in the joints.

**Remove standing water**

Empty any water outside that hold water. Mosquitoes lay their eggs near water. Check buckets, toys, containers or planters once a week.

**Wear The Right Clothes**

Wear long sleeves shirts and long pants in evenings as additional protection. Clothes should have loose fit and lighter color.

**Garbage storage**

Garbage should be kept clean and dry place, and always closed the lid of Garbage bin.
